

Conflict Minerals Statement

ProPhotonix IRL Ltd. is committed to conducting its business in an ethical and principled manner. As such, it recognizes its responsibility to respect human rights and not contribute to conflict and will act in full compliance with all applicable laws and regulations.

ProPhotonix does not directly purchase any conflict minerals, as defined in the Dodd-Frank Act, from any source and does not knowingly purchase any product containing conflict minerals that finance or benefit in any way, armed groups in the conflict region. ProPhotonix makes every effort to assess its supply chain to ensure compliance. Suppliers are expected to ensure that parts and products supplied to ProPhotonix are DRC conflict-free. Suppliers are to establish policies, due diligence frameworks, and management systems that are designed to accomplish this goal.
